

My bedside tools for individualized mechanical ventilation.

Lunch symposium

Take a lunchbox and have a seat!

We invite you to join us back live at this year's ISICEM with an international panel of renowned experts.

My bedside tools for individualized mechanical ventilation

- ✓ ASV for a lung-protective strategy (Dr. Elias Baedorf Kassis)
- ✓ Optimizing O2 control: Can my bedside assistant help? (Dr. Oriol Roca)
- ✓ P/V curves for optimizing PEEP – More is better than one? (Prof. Francesco Mojoli)

Date: March 22, 2023
Time: 12.30–13.30
